

Notice

In line with the recent State government announcement about its further easing of COVID-19 pandemic restrictions for religious activities stating from 11.59pm 22 November 2020, the Sunday worship service's maximum physical attendance will be allowed to have:

(1) 150 people (including the pastor) for indoor; OR

(2) 300 people (including the pastor) for outdoor.

For both options, a density quotient of 1 person per 4sqm will be applied. In addition, face masks remain mandatory when indoors.

The Church Committee discussed and has decided that our Church Sunday worship service will continue to be delivered via the church ZOOM as per Rule (1), and the following temporary arrangements will be in place for church members who would like to physically come to the church venue on Sundays to watch the service to ensure our church compliance:

- a register will be created for attendance bookings by members;
- attendance bookings can be made in block of 4 weeks in advance;
- a “first in best dressed” rule will be applied;
- bookings and queries to Head of Security, Deacon Nhan Pham on 0424336161 or 10nhanpham@gmail.com

Further announcements will be made when there are changes to the above. Thank you for your cooperation.
